

Dear Valued Guest,

Welcome to the Grand Lucayan Bahamas. We wish you a wonderful and memorable holiday experience at our resort.

Our employees are committed to making your vacation at the Grand Lucayan Bahamas your best ever.

We are also concerned about your safety and security and are therefore obliged to bring to your attention a matter related to the use of the beach. The Bahamas Hotel & Tourism Association has deemed it necessary to approve a policy for the benefit of our visitors which in essence is captured in the following paragraphs.

*While on the beach you may be approached to rent jet-skis and other motorized water sports equipment. Please be aware that the operators of such equipment are not associated with this hotel and are conducting their business without our consent and endorsement, as we do not have any control over the operating standards of any motorized water sports, and the extent of their insurance, if any, is questionable.**

*Given these circumstances, we strongly advise against your renting any motorized water sports equipment. Should you decide to engage in any of these activities, please be advised that you do so entirely at your own risk. ***

Thank you.

A handwritten signature in blue ink, appearing to read "V. Clarke", is positioned above the printed name.

Veronica Clarke
Hotel Manager
