

## REQUIREMENTS FOR ARRIVALS TO THE BAHAMAS

To assist with preventing the spread of COVID-19 and reduce the risk of exposure, registered guest will need to follow these government protocols:

1. All vaccinated and unvaccinated persons travelling to The Bahamas must obtain a negative COVID-19 RT-PCR (swab) test taken no more than **three days (72 hours)** prior to the date of arrival.
2. Children between the ages of 2 and 11 are required to obtain a negative COVID-19 test (either a Rapid Antigen Test or RT-PCR), taken **no more than three days (72 hours)** prior to the date of arrival to The Bahamas.
3. Once in possession of a negative COVID-19 RT-PCR test result, apply for a Bahamas Travel Health Visa at [travel.gov.bs](https://travel.gov.bs).
  - All visitors will be required to opt in to mandatory COVID-19 health insurance when applying for their Travel Health Visa. The insurance will cover travelers for the duration of their stay in The Bahamas. To learn more about The Bahamas Travel Health Visa and health insurance, visit <https://www.bahamas.com/tourism-reopening>.
  - The cost of the Travel Health Visa is dependent on the length of stay and is subject to change.
    - \$40 per person for a 4 night, five day stay
    - \$60 per person for more than a four night stay
4. Please print copies of the following for each traveler:
  - Negative COVID-19 test results
  - Approved travel health visa with QR code visible
5. Visitors that stay longer than four (4) nights must take the Bahamas government mandated Rapid Antigen Test on Day five (5) of their stay.

## REQUIREMENTS FOR GUEST RETURNING TO THE UNITED STATES

1. As of November 8<sup>th</sup>, 2021 the Center for Disease Control and Prevention (CDC) requires all persons flying to the U.S. to obtain a verifiable negative COVID-19 viral test(PCR or Antigen) taken no more than one (1) days prior to the date of the flight.
  - This new regulation applies to all travelers ages 2 and older, including U.S. citizens and legal permanent residents who have been visiting The Bahamas.
  - The CDC requires that air passengers travelling to the U.S. have a paper or electronic copy of their test result for review by the airline before they board and for potential review by public health officials after they arrive to the U.S.
