Ricardo Pierre did a wonderful job ensuring that our special day went smoothly. He made our entire experience and stay one to truly remember!!! Because of his professionalism and willingness to help when needed, I will recommend this establishment to a family member/friend and visit again!

## **BULLOCK AND MAHONEY WEDDING**

I don't think I could have had a better wedding coordinator. I feel like I have gained a friendship with Lisa. She was more than a wedding coordinator; she helped me embody my vision of a nonconventional 80s themed wedding. The way she was there for me and my family is invaluable and she will always be a great memory for us for our wedding. Honestly her hospitality and her great relationship with her co-workers made our wedding THE BEST. Thank you Lisa K.

- Jacquis Bullock-Mahoney
